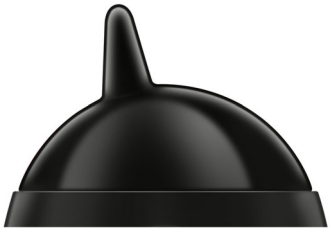
Highlights

Spill free cup
Built in valve for spill free drinking

Angled spout



The angled spout is designed to help toddlers take their first sips easily without tilting their head back too much. The child is able to adopt a natural neck position while drinking.

Ergonomically designed trainer

Trainer handles help your toddler to hold the cup and drink independently. These handles are not only shaped for little hands to grap easily, they are also designed for anti-slip.

BPA Free

This Philips AVENT cup is made from BPA free material

Cup is dishwasher safe

All parts are dishwasher safe for convenience

Compatibility across the range
The new Philips AVENT cup is compatible with the Philips AVENT Natural and Classic bottle range, excluding the glass bottle.

Hygiene cap
Whether at home or on-the-go, the protective hygiene cap always keeps the spout clean.
